

Fraud & Forensics

HW&Co. forensic professionals hold certifications including Certified in Financial Forensics (CFF), Certified Fraud Examiner (CFE), Accredited in Business Valuation (ABV), and Certified Public Accountant (CPA). We help clients in a variety of ways from deterring fraud to assessing and aiding in recovery from financial damage caused by fraud.

Our forensic accounting team conducts intensive internal investigations, including the reconstruction of financial books and records, asset identification, analyzing the flow of funds, quantifying damages and preparing expert reports. They then analyze and present complex financial and business matters in an easy-to-understand way.

Forensic Engagements:

- Employee theft & embezzlement
- Financial statement fraud
- Insurance claims' reasonableness
- White collar crime

Who We Serve:

- Business Owners
- Investment Banks
- Attorneys
- Insurance Companies

Certifications:

Our expertise sets us apart.

Our forensic accounting team and our litigation support team work hand in hand and have the expertise and experience that allows us to present in court in various situations, from settlement negotiations to providing key testimony during trial. We can deliver results clearly and concisely through a thorough investigation of the details and the matter at hand.

We believe in the power of conversation. Let's talk.
